- 3) From the CE, CDO, Hyd, Lr.No. CE/CDO/CD1/DEE1/APWSIP/MDRN / 271/08, dated 30-06-08.
- 4) From the CE, NSP, Hyd, Lr.No. CE/NSP/CO/HYD/ APWSIP/1535/Vol.5/ 965 CO, dated 05-07-08.
- 5) From the CE, CDO, Hyd Lr.No. CE/CDO/CD1/DEE-1/EE/NSP/APWSIP/351/09, dated 22-09-2009.
- 6) From the Chief Engineer, NSP Camp Office, Hyderabad Lr No. CE/NSP/CO/HYD/APWSIP/MDRN/1535/Vol.7/385 Co, dated 23-04-2010.
- 7) From the Chief Engineer, NSP Camp Office, Hyderabad Lr No. CE/NSP/CO/HYD/OT (Designs)/697 Co, dated 22-07-2010.

ORDER:

In the reference 1st read above, the Chief Engineer, Nagarjunasagar Project has reported that the proposed Andhra Pradesh Water Sector Improvement Project supports extensive rehabilitation and modernization works on the two NS main canals, 16 branch canals, 158 major distributaries, lift irrigation schemes and a vast network of distribution system comprising minors/ sub- minors as well as the dam safety works on Nagarjunasagar Dam. Besides the rehabilitation and modernization of civil works, a large number of mechanical & electrical components (gates and the associated hosting arrangement, pumps and motors in pumping stations etc) are also required to be rehabilitated and even replaced with new ones wherever so required. Therefore, to ensure timely preparation, coordinating, monitoring and for approval of engineering designs, the Chief

PTO

Engineer, NSP office Unit should be provided with a designs Sub – Division under the Deputy Chief Engineer, NS Project Camp office, Hyderabad. Further the World Bank has insisted on several occasions to form a separate designs wing for modernization works in order to prepare drawings or remedial measures for the existing structure as per the latest IS codes and manuals and send to the Competent Authority for vetting and also coordinate with the Chief Engineer, Central Designs Organisation for obtaining approval of designs for new proposed structures if any under APWSIP. Therefore, it has become imperative to establish a separate Designs sub- division under the Deputy Chief Engineer, NSP Camp Office, Hyderabad to attend to the designs works of APWSIP and technical comments of the World Bank. Hence, the Chief Engineer, NSP has proposed to establish a Designs Sub- Division under the Deputy Chief Engineer, NSP Camp Office, Hyderabad and draft the personnel either from NSP or other offices of I & CAD Department who are willing to work in the designs sub- division on deputation basis.

2. In the reference 2nd read above, the Project Director, PPMU, APWSIP has submitted that the Designs Sub- Division will act as a liaison between the Engineering Designs Consultancy and the Chief Engineer, Central Designs Organisation for effective implementation of the rehabilitation and modernization works.

3. In the reference 3rd read above, the Chief Engineer, Central Designs Organization has submitted the Chief Engineer, Nagarjunasagar Project has to have his own design wing for approval within his competency by redeployment of staff within NSP under Deputy Chief Engineer.

4. Further the Chief Engineer, Nagarjunasagar in the reference 4th cited has submitted that there will not be any duplication of responsibility and the required staff will be drafted either from Nagarjunasagar Project or from other I & CAD units. The sub division will be accommodated in the available space of the existing Chief Engineer's camp office.

5. Government, after careful consideration of the proposal, hereby , accord permission for the formation of Designs Sub- Division in the O/o the Chief Engineer, NSP Camp Office at Hyderabad duly diverting the sub- division from Chief Engineer, NSP Hill Colony with the following composition of staff, on deputation basis either from NSP or other Offices of I & CAD Department within the sanctioned strength

::3::

of the Department. However they will not be entitled for any design allowance, as the same is not permissible as per TA rules.

S.No.	Designation	Number	Qualification	Experience
1	Deputy Executive Engineer	1	M.E/M.Tech/B.E/ B.Tech (Civil)	Acquaintance in STAAD Pro & Auto CAD
2	Assistant Executive Engineers	4	M.E/M.Tech/B.E/ B.Tech (CIVIL) 3 Civil Engineers and 1 Mechanical Engineer	Acquaintance in STAAD Pro & Auto CAD
